---

Courses in  
**Commercial Cookery and  
Hospitality Management**

**Kenvale**  
College

**At Kenvale College, we specialise exclusively in hospitality, cookery, and event management, and our students are considered to be among the finest in the industry!**

### Why Study Commercial Cookery?

As a chef, you're in constant demand both in Australia and around the world, with career opportunities in restaurants, bistros, catering, hotels, cruises, and many more unique and wonderful places.

You will learn from great chefs both on campus and through industry employment. Our courses cover both theory and practical components and include subjects like Cookery Techniques, Creative Culinary Arts, Menu Planning and Development, Supervision and Team Management, Dietary and Nutritional Studies, Stock Control, Workplace Health and Safety, and more.

### Food is a universal language and an essential part of life.

The ability to create unforgettable dishes that appeal to all the senses – taste, aroma, texture, and presentation, is an art.

### Why Study and work in Hospitality Management?

Hospitality Management is creative, it's diverse, and it can take you around the world! If you dream of travelling for your career, love a practical, people-facing role and enjoy variety, Hospitality Management is for you. It's the largest and most dynamic industry in the world, always evolving with technology and trends, with hotel partners covering the globe. No day is ever the same!

### As a Kenvale student, you are given the unique opportunity to receive:

- Quality education and paid industry employment
- Theory and training through practical hands-on experience
- Experience with global industry partners
- An assigned personal mentor at the beginning of your course
- Personal and professional development throughout the course
- Personalised and innovative learning environment
- Award-winning industry-led staff
- No ATAR or prerequisites required for applications
- Fast tracked pathways into universities
- Rewarding experience in human services
- Connections for life!
