The Northern Beaches Campus
151 Darley Road, Manly 2095

THE CAMPUSES

From its origins in 1996 as a specialised management college, today ICMS has two campuses and more than 2000 students from around the world gaining undergraduate and postgraduate degrees in a diverse range of fields.

THE NORTHERN BEACHES CAMPUS

Fondly known as “the castle on the hill” (where the Hollywood blockbuster *The Great Gatsby* was filmed and where Nicole Kidman and Keith Urban were married), the ICMS castle is a Sydney landmark dating back to the 19th Century. The imposing structure dominating the northern Sydney’s beachside suburb’s landscape won worldwide acclaim when it was built by the Catholic Church between 1885 and 1889. The building, with its Gothic style and romantic central bell tower, holds a commanding position

overlooking the azure of Sydney Harbour and the Pacific Ocean. The entire estate covers 20 hectares of parkland.

The campus is a five-minute walk to the famous Manly Beach and Manly’s CBD, which is well known for its shopping precinct, cafés, restaurants and beachside lifestyle. A few minutes’ walk in the other direction will lead you to the foreshores of the harbour. There are harbourside bush walks to explore, extending more than 50 kilometres north and

south. ICMS is also close to access points to Sydney city – it’s a pleasant 17 minutes by fast ferry from Manly ferry wharf.

Learning options

Lectures are held at the Northern Beaches Campus for the following courses:

- Diploma courses
- Bachelor degrees
- Graduate Certificate courses
- Master’s degrees

The City Campus
Level 4, 451 Pitt Street, Haymarket 2000

THE CITY CAMPUS

The ICMS City Campus is located in the beautiful Manning Building, right in the heart of Sydney’s business district. The area boasts the highest residential density in Australia and is one of the liveliest precincts in the Sydney CBD. The building is close to World Square Shopping Centre and is only a few minutes walk from great transport links via train at Central Station and a nearby Light Rail (tram) stop at Capitol Square. A short walk will take students to the entertainment areas of Chinatown, Darling Harbour and Barangaroo Waterfront, all offering endless options for eateries from cafes and bars to world-class five-star dining - and everything in between.

The Manning Building has high historic significance and is an important building to the City of Sydney. The facade dates to 1892 and, at the time it was built, made a

significant contribution to the surrounding precinct, including the recently restored Capitol Theatre, which is in the same block.

Internally, the Manning Building has been extensively modified and renovated. Entering through the impressive lobby, students have high security access to state-of-the-art facilities. Lectures are offered on the 4th floor in ICMS’ contemporary training and executive education centre, which showcases a vibrant and innovative learning environment, with expansive classrooms, modern study areas and an abundance of natural light, as well as complimentary refreshment facilities.

Studying at the ICMS City Campus, within the heart of Sydney, offers students the most exciting start to a successful business career.

Learning options

Lectures are held at the city campus for the following courses:

- Graduate Certificate courses
- Master’s degrees
- Bachelor Degrees
- Diploma of Business

Certain core business subjects offered within other diplomas and bachelor degrees are offered at this campus, subject to availability.

Bachelor of Business

CRICOS COURSE CODE: 0101110

The ICMS Bachelor of Business equips graduates with universally sought-after skills and offers opportunities in so many diverse roles and industries. This degree is ideal for those who want to make a tangible contribution to the success and growth of a business, push boundaries and challenge the status quo.

Whether you chose to stay local or are ready to go global, a degree in business can fast-track your climb up the corporate ladder in any sector.

Bachelor of Hospitality Management

CRICOS COURSE CODE: 0101132

The ICMS Bachelor of Hospitality Management is designed to position students for success as professionals in the hospitality industry, with a focus on future-proofing you for adaptability in a rapidly changing world.

This course aims to provide you with transferable skills, industry experience and in-depth knowledge of hospitality practices that will allow you to be employed in management positions around the world.

Bachelor of Business Event Management

CRICOS COURSE CODE: 0101130

The ICMS Bachelor of Event Management will equip you with the skills to rise to the top of this diverse and dynamic sector. Designed to position students for success in the exciting events industry, this is a qualification which could take you anywhere in the world.

Subjects focus on core business skills with the addition of specialised event management subjects such as Event Concept & Design; Event Planning; Site Logistics; Creating Event Experiences – and more!

Bachelor of Business International Tourism

CRICOS COURSE CODE: 0101128

The ICMS Bachelor of Business (International Tourism) will equip you with the skills needed for a successful career in this growing and dynamic business sector. Every organisation in the tourism industry requires professionals with skills to attract, accommodate and entertain tourists with the aim of increasing revenue.

This course aims to skill you in all areas of tourism business operations - identifying challenges and assessing solutions. A career in international tourism can be as exotic and colourful as its destinations. Channel your adventurous spirit, business acumen and lust for travel into a rewarding career.

Bachelor of Business (Marketing)

CRICOS COURSE CODE: 0101119

The ICMS Bachelor of Business (Marketing) is underpinned by core business subjects, together with specialised marketing subjects. Marketing and business subjects are supplemented by elective subjects from a range of business areas.

Your choices include electives in entrepreneurship, event management, international tourism, hospitality management and sports management. This allows you to enhance your business marketing degree with subjects that reflect your interests and ambitions.

Bachelor of Business (Entrepreneurship)

CRICOS COURSE CODE: 0101115

The ICMS Bachelor of Business (Entrepreneurship) is designed to show you how to build, promote and manage your own business by understanding the processes used by start-ups and rapid growth small firms, as well as large corporations and non-profits.

As leaders in the business and corporate world, entrepreneurs know how to look at things differently, to identify opportunities and balance calculated risk with the potential rewards.

CRICOS COURSE CODE: 0101122

The ICMS Bachelor of Business (Sports Management) gets you to wherever there is sport – which is just about everywhere. From athlete and facilities management to marketing and finance, a Bachelor of Business (Sports Management) will prepare you for a leadership role in this ever-evolving and intensely exciting business environment.

Subjects focus on core business skills with the addition of specialised sports management subjects. In your specialisation subjects you will be exposed to the global sports industry and gain insights into those areas of sport management vital for a successful career in this most exciting of industries.

Bachelor of Business (Accounting)

CRICOS COURSE CODE: 106410A

The ICMS Bachelor of Business (Accounting) combines business, management and accounting studies to help you emerge a well-rounded accounting professional ready to provide real business value in a range of different sectors.

The degree has been accredited by professional accounting bodies Chartered Accountants Australia and New Zealand (CA ANZ), CPA Australia and by ACCA, the Association of Chartered Certified Accountants, providing a solid endorsement of quality.

Bachelor of Property (Development, Investment and Valuation)

CRICOS COURSE CODE: 106412K

The ICMS Bachelor of Property (Development, Investment, and Valuation) is designed to position you for success as a professional in the growing property development and investment industry. This is a potentially lucrative field, where insider knowledge of the industry is as crucial as the bricks and mortar that make up the buildings around us.

This degree offers you opportunities to pursue a career in the property sector without limiting your employability to one specialised area of the property profession. The focus on three key, interrelated areas of the property profession: development, investment and valuation. This sets it apart from other property courses, providing you with flexibility and choice in your future career.

Bachelor of Information Technology (Big Data and Analytics)

CRICOS COURSE CODE: 115068B

The ICMS Bachelor of Information Technology (Big Data and Analytics) harnesses the power of data to shape the future. This innovative undergraduate degree is designed to position you to meet the booming demand for experts in Big Data, Analytics, and Intelligence.

The tech sector is rapidly evolving, opening up countless new opportunities for graduates who are digitally fluent and competent – skills that are in high demand all around the world. With this degree, you'll be equipped to help organisations make informed decisions, gain a competitive edge, boost efficiency, enhance customer experiences, and effectively manage risks in today's data-driven world.

Bachelor of Information Technology

CRICOS COURSE CODE: 115067C

The ICMS Bachelor of Information Technology is tailored to meet the growing demand for emerging leaders with technology skills and expertise in technical business infrastructure. With businesses rapidly digitising, every sector of the economy is feeling the impact. Rapid changes also bring a slew of exciting opportunities which are in high demand all around the globe.

This degree offers you a comprehensive curriculum covering all the basics – from information systems to networking, programming, and database management. With specialised elective subjects like cyber security, web and mobile technologies, and edge computing, you'll not only gain theoretical knowledge but also practical skills that will prepare you for a variety of IT careers.

Bachelor of Business (Fashion and Global Brand Management)

CRICOS COURSE CODE: 106411M

Ever thought about diving into the exciting world of fashion and global brand management? The ICMS Bachelor of Business (Fashion and Global Brand Management) degree is the ultimate blend of core business knowledge mixed with specialised subjects all about fashion and brand management.

This degree sets you up for a career in fashion, retail, or brand management by giving you the perfect foundation. With specialised knowledge of the business of fashion, you'll develop a unique blend of operational, strategic, and creative skills that are relevant to this fast-paced and ever-changing industry.

Bachelor of Information Technology (Cyber Security)

CRICOS COURSE CODE: 115069A

Become a guardian of the digital realm and pave the way for a safer digital future. The ICMS Bachelor of Information Technology (Cyber Security) is an innovative undergraduate degree designed to meet the growing demand for experts in cyber security.

As businesses rapidly digitise, every sector of the economy is being reshaped. With globalisation, automation, artificial intelligence (AI), and the Internet of Things (IoT) on the rise, organisations worldwide are gearing up for a wave of opportunities along with inevitable threats. That's where you come in – a nimble, adept workforce is needed to confront these emerging challenges head-on.

Brynn Friedmann,
Bachelor of Business (Entrepreneurship)

OUR INDUSTRY CONNECTIONS ARE YOUR CONNECTIONS...

At ICMS we have an extensive network of industry partners. These leading companies provide our ICMS community with invaluable industry insight and experience.

When it is time to embark on your Work Integrated Learning (WIL), we work closely with our partners to find a suitable placement that is the best fit for your skills, interests and professional goals. Your placement could take you to a major city or regional area in Australia. You could even take up a position

in an international city. It is all part of finding the best placement for you. Not only is this an invaluable experience, it is also a chance to grow your professional network. For many of our graduates, this experience introduces them to their future employers.

WORK INTEGRATED LEARNING

Work Integrated Learning (WIL) is an arrangement where a student undertakes learning in a workplace outside of the institution as a part of their course of study. This is called a Professional Placement, or an Internship.

All ICMS Bachelor and Master's degrees offer two trimesters of Professional Placement.

Professional placements are usually organised by the ICMS WIL team, in consultation with the student.

WIL Professional Placements experiences ensure that students have opportunities to further develop and demonstrate their learning – and build their professional networks.

FROM OUR STUDENTS

Sowan Lee

Bachelor of Event Management

"I was looking for a school known for events education, and ICMS came up as one of the top colleges in Sydney. ICMS provides comprehensive education that's given me a strong academic grounding while also providing me with a platform to gain up to 600 hours of relevant work experience. I was influenced by the idea of taking practical event subjects, soaking up the international vibe on campus and the beautiful Manly lifestyle and surroundings.

The ICMS New York Study Tour for event students impressed me. I think it is such an amazing experience. ICMS lecturers are always thinking about what's best for students and are always ready to provide valuable tips on industry training, volunteer opportunities and future careers."

Vivian Ngoc Nhu Quynh Vo

Bachelor of Hospitality Management

"ICMS is highly ranked as one of the best schools to study hotel management in Australia. Secondly, the college offers numerous chances for students to get a scholarship which is really helpful.

All the core subjects are really interesting and are taught by experienced lecturers and tutors. They always provide students with positive feedback and share a lot of experience gained from working in industry. In my first term, I had the chance to visit Novotel Manly and meet the talented general manager there.

You are not only learning, but also experiencing. I am in love with the beach and the lovely town of Manly. The traffic is always slow and there is no hustle and bustle."
